

Appl. No.: To Be Assigned
Preliminary Amdt. Dated December 20, 2004

REMARKS

New claims 25-50 have been added and claims 1-24 have been cancelled without prejudice. Accordingly, by entry of this preliminary amendment, claims 25-50 are pending in the application.

New claims 25-50 include the subject matter that was previously included in claims 1-24 of the PCT application no. PCT/DE03/001827 rewritten to conform to the requirements of United States Patent Laws, rules and regulations. Accordingly, favorable consideration in light of this preliminary amendment is respectfully requested.

Respectfully submitted,

December 20, 2004
